

Coaching Certification Information

All On Field Coaching staff must have completed a FOCS 1 & 2 online Coaching Course and have a valid NCCP # registered in the Coaching Association of Canada's Coaches Locker.

For U15 Divisions and above, One Coach must have completed a Community Sport Coaching Clinic, or higher, by May 1, 2026. The ORSA and Softball Ontario staff are working on dates and locations for the 1 day clinics.

New in 2026, **All On Field Coaching Staff** must complete the Online Course "Making Ethical Decisions" by May 31st, 2026. This course is available through NCCP's "The Locker".

For U15 Divisions and above, by **May 31st, 2027**, **Two** On Field Coaching Staff must have completed a 1 day Community Sport Coaching Clinic.

For Softball Canada members wishing to become a certified coach, the first stop is The Locker, where Softball Canada will be hosting our e-Learning modules. This engaging, interactive online training is the start to getting the information you need to be a successful coach, and it's all done at your convenience wherever you access the internet. Softball Canada has moved to a blended learning approach for our coach training and education program where coaches will complete online training prior to attending a National Coach Certification Program (NCCP) face-to-face workshop.
