Athlete Protection Policy

Purpose

1. This Athlete Protection Policy describes how Persons in Authority shall maintain a safe sport environment for all Athletes.

Interactions between Persons in Authority and Athletes – the ‘Rule of Two’

2. O.R.S.A. requires that the **‘Rule of Two’** be followed for all Persons in Authority who interact with Athletes, to the maximum extent possible in the circumstances. The **‘Rule of Two’** is a directive that says that an Athlete must never be alone one-on-one with an unrelated Person in Authority.
3. O.R.S.A. recognizes that fully implementing the ‘Rule of Two’ may not always be possible in some instances. Consequently, at a minimum, interactions between Persons in Authority and Athletes must respect the following:
 - a) To the maximum extent possible, the training environment should be visible and accessible so that all interactions between Persons in Authority and Athletes are observable.
 - b) Private and one-on-one situations that are not observable by another adult or Athlete should be avoided to the maximum extent possible.
 - c) A Vulnerable Individual may not be alone under the supervision of a Person in Authority unless prior written permission is obtained from the Vulnerable Individual’s parent or guardian.
 - d) Persons in Authority may not invite or host Vulnerable Individuals in their home without the written permission from parents or guardians or without parents or guardians having contemporaneous knowledge of the visit.

Competitions, Training Sessions, and Practices

4. For competitions, training sessions and practices, O.R.S.A. recommends:
 - a) A Person in Authority should never be alone with a Vulnerable Individual prior to or following a competition or training session unless the Person in Authority is the Vulnerable Individual’s parent or guardian.
 - b) If the Vulnerable Individual is the first Athlete to arrive, the Athlete’s parent(s) and/or guardian(s) should remain until another Athlete or Person in Authority arrives.

c) If a Vulnerable Individual would potentially be alone with a Person in Authority following a competition or training session, the Person in Authority should ask another Person in Authority (or a parent or guardian of another Athlete) to stay until all the Athletes have been picked up. If an adult is unavailable, another Athlete, who is preferably not a Vulnerable Individual, should be present to avoid the Person in Authority being alone with a Vulnerable Individual.

d) Persons in Authority giving instructions, demonstrating skills, or facilitating drills or lessons to an individual Athlete should always do so within earshot and eyesight of another Person in Authority.

e) Persons in Authority and Athletes should take steps to achieve transparency and accountability in their interactions. For example, a Person in Authority and an Athlete who know they will be away from other Individuals for a lengthy period must inform another Person in Authority where they are going and when they expect to return. Persons in Authority should always be reachable by phone or text message.

Communications

5. For communication between Persons in Authority and Athletes, O.R.S.A. recommends:

a) Persons in Authority may only send texts, direct messages on social media or emails to individual Athletes when necessary and only for communicating information related to team issues and activities (e.g., non-personal information). Any such texts, messages or emails shall be professional in tone.

b) Electronic communication between Persons in Authority and Athletes that is personal in nature should be avoided. If such personal communication is unavoidable, it must be recorded and available for review by another Person in Authority and/or by the Athlete's parent/guardian (when the Athlete is a Vulnerable Individual).

c) Parents/guardians may request that their child not be contacted by a Person in Authority using any form of electronic communication and/or may request that certain information about their child not be distributed in any form of electronic communication.

d) All communication between a Person in Authority and Athletes must be between the hours of 8:00am and 9:00 pm, unless extenuating circumstances justify otherwise.

e) Communication concerning illegal drugs or alcohol use (unless regarding its prohibition) is not permitted.

f) No sexually explicit language or imagery or sexually oriented conversation may be communicated in any medium.

g) Persons in Authority may not ask Athletes to keep a personal secret for them.

Travel

6. For travel involving Persons in Authority and Athletes, O.R.S.A. recommends:

- a) Teams or groups of Athletes shall always have at least two Persons in Authority with them.
- b) For mixed gender teams or groups of Athletes, there should be one Person in Authority from each gender.
- c) If two Persons in Authority cannot be present, reasonable efforts should be made to supplement supervision with screened parents or other volunteers.
- d) To the maximum extent possible, no Person in Authority may drive a vehicle alone with an Athlete unless the Person in Authority is the Athlete's parent or guardian.
- e) A Person in Authority may not share a hotel room or be alone with an Athlete unless the Person in Authority is the Athlete's parent/guardian or spouse.
- f) Room or bed checks during overnight stays must be done by two Persons in Authority.
- g) For overnight travel when Athletes must share a hotel room, roommates must be age-appropriate and of the same gender identity.

Locker Rooms/Changing Areas

7. For changing areas and other closed meeting spaces, O.R.S.A. recommends:

- a) Interactions between Persons in Authority and Athletes should not occur in any area where there is a reasonable expectation of privacy such as a locker room, washroom or changing area. A second adult should be present for any necessary interaction between an adult and an Athlete in any such area.
- b) If Persons in Authority are not present in the locker room or changing area, or if they are not permitted to be present, they should still be available outside the locker room or changing area and be able to enter the room or area if required, for reasons including but not limited to team communications and/or emergencies.

Photography/Video

8. For all photography and video of an Athlete, O.R.S.A. recommends:

- a) Photographs and video should only be taken in public view. Content must observe generally accepted standards of decency and be both appropriate for and in the best interest of the Athlete.
- b) The use of recording devices in areas where there is a reasonable expectation of privacy is strictly prohibited.
- c) Examples of photos that shall be edited or deleted include:
 - i. images with misplaced apparel or where undergarments are showing;
 - ii. suggestive or provocative poses; and
 - iii. embarrassing images.
- d) If any content featuring an Athlete will be used on any form of public media, a Photo and Video Consent Form (Appendix A) must be completed before the content is recorded.

Physical Contact

9. Physical contact between Persons in Authority and Athletes may be necessary for various reasons including, but not limited to, teaching a skill, or tending to an injury. For physical contact, O.R.S.A. recommends:

a) A Person in Authority must always request permission to make physical contact from the Athlete in advance and clearly explain where and why the physical contact will occur. The Person in Authority must make clear that they are requesting to touch the Athlete and not requiring physical contact.

b) Infrequent, incidental physical contact during training is not a violation of policy.

c) Non-essential physical contact may not be initiated by the Person of Authority. It is recognized that some Athletes may initiate non-essential physical contact such as hugging or other physical contact with a Person in Authority for various reasons (e.g., such as celebrating or crying after a poor performance). This physical contact should always occur in an open and observable environment.

Enforcement

10. Any alleged violations of this Athlete Protection Policy shall be addressed pursuant to the Discipline and Complaints Policy.
